

DO COOL THINGS THAT MATTER

The Google Anita Borg Memorial Scholarship

Asia-Pacific (APAC)

Dr. Anita Borg (1949-2003) devoted her life to revolutionizing the way we think about technology and dismantling the barriers that keep minorities and women from entering the computing and technology fields.

As part of Google's ongoing commitment to furthering Anita's vision, we are pleased to announce the Google Anita Borg Memorial Scholarship 2014 Asia-Pacific (APAC).

Through the scholarship, we aim to encourage women to excel in computing and technology, and become active role models and leaders.

Who should apply?

- Be a female student enrolled in undergraduate or postgraduate study in the 2015 academic year.
- Be enrolled in a university in Asia Pacific (excluding Greater China where we have an additional scholars' retreat in China Mainland).
- Be majoring in computer science, computer engineering, or a closely related technical field.
- Exemplify leadership and demonstrate passion for increasing the involvement of women in computer science.
