The screenshot shows a web interface for a Vacancy page. At the top, there is a navigation bar with 'Vacancy', 'Status', 'Profile', and 'CV' tabs, along with a 'Log Out' button. Below the navigation bar, there are status filters: 'Waiting', 'Rejected', 'Accepted', and 'Approved'. The main content area displays a list of companies and their associated jobs. A table highlights two job listings: 'Security Expert' and 'Programmer', both located at 'Jalan Prof. Dr. Satrio'. The 'Security Expert' job has a quota of 23, and the 'Programmer' job has a quota of 44. Both jobs have a status of 'not applied'. The 'Action' column for each job contains 'Desc' and 'Apply' buttons. Annotations with red boxes and lines point to these elements: 'List Job' points to the job table, 'Kuota masing masing job' points to the quota values, and 'Tombol Desc untuk penjelasan Tombol Apply untuk melamar' points to the 'Desc' and 'Apply' buttons.

The screenshot shows a web application interface with a dark theme. At the top, there is a navigation bar with 'Vacancy', 'Status', 'Profile', and 'CV' tabs. On the right side of the navigation bar, there are icons for a mail envelope and a user profile, along with a 'Log Out' button. Below the navigation bar, there are three status filters: 'Waiting', 'Rejected', 'Accepted', and 'Approved'. The main content area displays a table of vacancies. The table has columns for 'Company', 'Job', 'Candidate', 'Status', and 'Action'. A modal window titled 'Description' is open, showing the text 'Maintaning Security in system' and a 'Close' button. A red vertical line points from the 'Desc' button in the table to the modal window. A blue-bordered box at the bottom of the screenshot contains the text 'Menampilkan Job Description dari Posisi'.
