ICCSCI

The 4th International Conference on
Computer Science and Computational Intelligence

Enabling Collaboration to Escalate Impact of Research Results for Society

The 4th International Conference on Computer Science and Computational Intelligence (ICCSCI) is annual forum for researchers, engineers and scientist to disseminate their knowledge and research on Computer Science, Computational Intelligence and Information Technology. The conference warmly welcomes prospected authors to submit their research and idea to ICCSCI 2019, and share the valuable experiences with the scientist and scholars around the world.

FEATURING KEYNOTE SPEAKERS :

Michel Valstar, PhD
Associate Professor, School of Computer Science
Nottingham University,
United Kingdom

Dr. Somnuk Phon-Amnuaisuk
Associate Professor, School of Computing & Informatics, Universiti Teknologi Brunei (UTB)

Dr. Sani Muhamad Isa
Associate Professor,
Master of Information Technology Program
Bina Nusantara University, Indonesia

Oskar Riandi
(Industrial Speakers)
Director
PT. Bahasa Kita

SCOPE OF TOPICS :

1. Intelligent System and Machine Vision
2. Software Engineering, Information Security and Networks
3. Big Data and Information Technology
4. Foundations of Computing and Theoretical Computer Science
5. Computational Linguistic and Audio Processing
6. Internet of Thing and Robotics
7. Multimedia, Game Development and Virtual Reality

IMPORTANT DATES :

- **15 May '19** — Deadline for Full Paper Submission
- **31 May '19** — Notification of Paper Acceptance
- **10 June '19** — Deadline for Early Bird Registration
- **30 June '19** — Deadline for Final Manuscript & Final Registration
- **7-8 Sept '19** — Deadline Full Paper Submission

Event Schedule :
12-13 September 2019
Hyatt Yogyakarta
Yogyakarta - Indonesia

Certificate No. AU98/00995 — Certificate No. ID08/01051
